

VIRTUAL TOWN HALL LECTURE

UCSF Fresno Town Hall Lecture Series

International Advances in COVID-19 Framework for Scientific Evolution and Evaluation

Thursday, December 7, 2023
10:00 a.m. to 12:30 p.m.

Via Zoom Webinar*

Free Program

UCSF Fresno

Join UCSF Fresno and a panel of international experts for the second installment of this Town Hall Lecture series: Frameworks for Scientific Evolution and Evaluation.

COVID-19 is now the fourth leading cause of death in the United States. Its profound impact on morbidity has been described through its effect on the neurologic, endocrine, and cardiovascular systems. This series was created to unify public health principles with the pathophysiology of COVID-19 for a better understanding of how future stressors within health systems can be mitigated and proactively managed.

LEARNING OBJECTIVES

- To identify and characterize viral characteristic changes that impact clinical delivery models
- To understand the role of the social determinants of health in health promotion strategies as they relate to SARS-CoV-2
- Understand the mechanism by which expertise and knowledge translation have uncoupled the potential pathologic effects of COVID-19

Moderator

Fernando Teixeira, MD
Clinical Professor, UCSF Fresno, Emergency Medicine, Lecturer, University of Toronto

TOPICS AND SPEAKERS:

10am - 10:45am

Perspectives of COVID-19 Responses in California's Bay Area

Peter Chin-Hong, MD

Associate Dean for Regional Campuses,
Professor of Medicine, UCSF

10:45am - 11:30am

Pros and Cons and of the Global COVID-19 Vaccination Campaign and the Potential of R&D Investment for Future Pandemics

Oliver "OJ" Watson MD

Eric and Wendy Schmidt AI in Science
Research Fellow, Imperial College London

11:30am - 12:15pm

Comparison of Global Pandemic Responses

Fahad Razak, MD

Internist, St Michael's Hospital, Toronto, Canada
Associate Professor and Canada Research Chair in
Data-Informed Healthcare Improvement, University of
Toronto

12:15pm - 12:30pm

From Pangaea to the Pandemic: Unifying Concepts in our Understanding of COVID-19

Fernando Teixeira, MD

Clinical Professor, UCSF Fresno
Emergency Medicine Lecturer, University
of Toronto

Accreditation and Credit Designation:

Community Medical Centers is accredited by the Institute for Medical Quality/California Medical Association (IMQ/CMA) to provide continuing medical education for physicians. Community Medical Centers designates this live activity for a maximum of 2.5 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity. This credit may also be applied to the CMA Certification in Continuing Medical Education.

* This event will be held virtually via Zoom webinar. Attendees will receive a link to access the online conference prior to the program. CME credit will be provided to conference participants who attend the conference in full.
