MANY FACES OF DEMENTIA 2024 CONFERENCE

THE CHANGING DEMENTIA LANDSCAPE: RISK REDUCTION, EARLY DETECTION, AND TREATMENT

A ONE DAY CONFERENCE: Designed to bring together health care professionals, including providers, clinical researchers, residential care facility and community agency administrators in the greater Los Angeles area who care for persons with Alzheimer's disease and other dementias. This year's conference will focus on the changes taking place in prevention, early recognition and new and emerging treatments. Presentations by clinicians and researchers with expertise and extensive experience in dementia will be complemented by first person experiences of individuals and their care partners.

WHO SHOULD ATTEND: Physicians, PAs, NPs, Nurses, Psychologists, Social Workers, Marriage and Family Therapists, Care Managers, Gerontologists, RCFE & Nursing Home Administrators, Pharmacists, Dentists, Clergy, Physical and Occupational Therapists, Speech Therapists, and Legal Professionals

CE and CME HOURS WILL BE AVAILABLE PENDING BOARD APPROVAL

PRESENTED BY: USC / Rancho Los Amigos California Alzheimer's Disease Center in partnership with the LA County Dept. of Public Health, USC Geriatric Workforce Enhancement Program (GWEP), the USC L. Davis School of Gerontology and Alzheimer's Los Angeles
