

UCSF Fresno

FREE HEALTH EVENT

Saturday, October 14
9:30 a.m. to 2:00 p.m.

Attend In-Person or Virtually

Program Director:
Marina Roytman, MD, FACP
Health Sciences Clinical
Professor, UCSF Fresno

Dr. Roytman is the Director of the Liver Program in the Division of Gastroenterology, Hepatology and Nutrition at UCSF Fresno. Her involvement in research include Non-Alcoholic Steatohepatitis (NASH), Hepatitis B, Hepatitis C and Drug Induced Liver Injury.

EVENT DETAILS

Join UCSF Fresno on Saturday, October 14th for the 5th Annual Liver Expo! This hybrid event - attend either in-person or virtually - will focus on new therapies in fatty liver disease, liver cancer diagnosis and emerging therapies, and the importance of colon cancer screening. Hear from UCSF Fresno, Stanford University, and Community Regional Medical Center experts and answer the question, 'Is your liver well'?
